

Semi Private Class Series 2018-2019

The Semi Private Class Series is open to all students Level 7 & above and has been designed to target specific areas of classical technique that students typically struggle with. The intimate setting of these classes offers close personal attention for each student with instructor, Michelle Symos.

Students will not only work in depth on certain steps like Pirouettes, but they will study themselves as they go. The close attention will help students identify their personal strengths and weaknesses and give them a skill set to work with in ALL their classes! After offering this program for 2 years now, it is very clear that students enrolled in a semi private are making obvious technical strides!

Miss Michelle's Semi Private Class description:

"The purpose of this class is to target common areas of difficulty such as stamina, strength, flexibility, control, pirouettes/fouettes, allegro, and pointe work. In most cases, a standard ballet technique class cannot afford the time to go in depth into each of these areas every class because there is so much to cover! Semi Private classes will begin with a short warm up (to your favorite pop songs!) and the rest of the time will be spent on the above areas. I'm grateful for the opportunity to work so closely with the students and help shape them into the best and strongest dancer they can be!"

PLEASE NOTE...THESE SEMI-PRIVATE CLASSES ARE OFFERED ONLY AS AN ADDITION TO REGULAR TRAINING AND WILL NOT COUNT TOWARD REQUIRED CLASSES ON THE REGULAR SCHEDULE. FOR EXAMPLE, IF A PARTICULAR CLASS REQUIRES 2 OTHER BALLET CLASSES, THE SEMI-PRIVATE WILL NOT COUNT TOWARD THAT CLASS REQUIREMENT. ALL CLASS REQUIREMENTS MUST BE MET ON THE REGULAR SCHEDULE. SEMI-PRIVATE ONLY SERVE AS ADDITIONAL TRAINING.*
